<b>Market Totals</b>	<b>Airings: 96</b>		

**Total for this Ad      Airings: 3050**

\* This report shows television airings entered in the competitrack.com database as of Jun 08, 2004 . Information about ads airing within the last 30 days is preliminary and subject to revision.

Please note that airings on syndicated programs are currently represented as local buys. This will be adjusted in the future when the methodology to accurately identify nationally syndicated airings is in place.
